4/4/82 THE BRENDAN BYRNE MEADOWLANDS ARENA, EAST RUTHERFORD, NEW JERSEY (AFTERNOON)

Laurent Soucie DREW Charlie Fulton (This bout went to the full time limit. Just before the bell rang, to signal the end of the bout, Soucie tried to pin Fulton, but Charlie Kicked out of the pin.)

Pete Sanchez W. Jose Estrada (Jose gave Pete an Airplane Spin, Estrada got dizzy from Spinning Sanchez around. Sanchez, then, took advantage of a dizzy Jose, and took him off his feet into an Inside Cradle Type Hold/ Small Package Pinning Combination.)

Mr. Fuji & Mr. Saito W. Steve Travis & Rick McGraw (Saito pinned McGraw, after some outside interference, by Fuji, who hit Rick, with a Karate Thrust/Jab, to the throat. The referee did not see Fuji's infraction, because he had his back turned, and was busy stopping Travis from interfering. The referee, then, turned around, and took the fatal count.)

Bob Orton, Jr. W. Tony Garea (By pin, with a devastating Over The Knee Shoulder Breaker/Power Slam Combination. Orton, Jr. & Garea battled fast and furious, in this tough encounter. Both of these grapplers looked in great shape, and wrestled well, with many holds being used.)

Blackjack Mulligan W. Bob Backlund -C.O.R. (The finale came when Blackjack and Bob were trading punches, outside of the ring, on the ringside floor. Both grapplers then fought, punch for punch, on the outside ring apron. While all of this was going on, the referee was counting. Blackjack, then, swung at Bob. Backlund ducked down, and lifted Blackjack up, into a Back Body Drop, sending Mulligan over the top rope, into the ring. Backlund, then, entered the ring, and soon was informed that he was counted out, outside of the ring. Blackjack got dumped into the ring, just in time, and was not counted out. Mulligan, of course, was declared the victor. Blackjack wanted Backlund's belt, but Bob saw to it, that he did not get it. Backlund was in awe, at the size, and power of Mulligan, during this torrid affair. Blackjack could not believe Bob's great scientific wrestling ability. Mulligan and Backlund are both super ring generals, even though their styles of wrestling, are very different. Blackjack and Bob had a lot of respect, for one another, during this terrific clash.)

Andre The Giant & Tony Atlas W. Jesse Ventura & Adrian Adonis (Andre pinned Adonis, with a Knee Drop/Sit-Down Splash Combination, on the upper chest. In this wild fracas, Atlas did not look too impresive against his foes. Ventura looked better than Atlas, in this bout. Jesse had the upper hand, along with his partner, Adrian, over Atlas. Andre, of course, gave Ventura & Adonis, what for, in this rough event.)

Special Delivery Jones W. Johnny Rodz (By pin, with a One Leg/½ Jack-Knife Cradle; after Rodz landed-throat first, on the top ring rope, and fell backwards, to the mat.)

Pedro Morales W. Greg Valentine -C.O.R. (Morales & Valentine were fighting, outside of the ring, on the ringside Floor. Pedro got back into the ring, just in time, as the referee was tolling the count, and Valentine did not. Valentine was counted out, outside of the ring. Morales was declared victorious, in this hard fought struggle. This was another chapter in the Morales-Valentine feud, of course. Pedro looked better than Greg, at the finish.)

Steve Travis W. The Black Demon (By pin,with a Double Leg/ Jack-Knife Cradle.)
Bob Orton, Jr. W. Tony Altomare (By pin, with a Rolling Reverse Cradle/ Sunset Flip.)
Andre The Giant & Rick McGraw W. Mr. Fuji & Mr. Saito
(1st FALL- Fuji & Saito gave McGraw a Double Team Vertical Suplex. Fuji, Then, scored a pin on McGraw, with a One Leg/½ Jack-Knife Cradle. Fuji & Saito did this wild action, on McGraw, while the referee's back was turned. The Referee was too busy watching Andre, making sure that The Giant did not interfere.)
(2nd FALL- The referee, this time, caught Fuji & Saito double teaming McGraw, once again, by giving him, a double team suplex. The referee, then,promptly disqualified The Japanese Duo, for this infraction, of the rules. Andre and McGraw, of course, were declared the winners, of this fall.)
(3rd FALL- Andre pinned Saito, with a Sit-Down Splash, on Saito's chest; after a giant kick, by Andre, with his foot, to Saito's face. Andre & McGraw, indeed, were the happy victors, in this exciting event.)

(Continued)

Gypsy Rodriguez DREW Frankie Williams (Rodriguez, during this bout, had the upper hand over Williams. At the finale, the bell rang, a few times, to signal the end of the bout; Williams, finally, got the better of Rodriguez. The Gypsy, then, left the ring, in a hurry, because he did not want any part of an angry Williams. This bout went to the full time limit.)

Ivan Putski W. Greg Valentine (The end of this match came when Putski arm whipped Valentine, into the corner turnbuckle area. Greg, them, fell down, to the mat. Putski, then, scored a pin, by grabbing Greg's leg, and hooking it into what appeared to be a One Leg/½ Jack-Knife Semi-Cradle. Ivan grabbed Greg's leg, because Valentine wanted to keep it on the bottom ring rope, so the count, by the referee, might be broken. The referee continued to count to three, because Ivan grabbed Greg's leg, and took it off of the bottom ring rope, just in time. Putski was the proud winner, of this rough battle.)

4/26/82 MADISON SQUARE GARDEN, NEW YORK CITY, NEW YORK
Johnny Rodz W. Baron Scicluna -DQ. (Scicluna was disqualified, by the referee, because he used a foreign object, on Rodz. Rodz was given the victory, because of Scicluna's infraction, of the rules.)

Adrian Adonis W. Pete Sanchez (By pin, with a double Leg/Jack-Knife Cradle, after a reverse over the Knee Back-Breaker, to the groin area.)
Bob Orton, Jr. W. Rick McGraw- T.K.O. (McGraw was cut, bloody, on his forehead, because he was dispatched from the ring, to the ringside floor, courtesy of Orton, Jr. McGraw was very badly cut, due to the severe fall that he took. When Rick finally re-entered the ring, bloody condition, and all, he was still manhandled, by Orton, Jr. Orton, Jr. continued to punch Rick's forehead, making it worse and worse. Orton, Jr. did not want to let up, on the brave McGraw. McGraw being a battling warrior, also, wanted to continue, and fight the super rough Orton, Jr. The referee, finally, stopped the bout. The match was awarded to Orton, Jr. on a Technical Knock Out (T.K.O.), due to excessive bleeding, on the part of McGraw. This was one great bout, with a lot of action.)
Blackjack Mulligan W. Steve Travis (The end came when Blackjack, who was in the ring, lifted Travis, who was on the outside ring apron, into a Tremendous High Vertical Suplex. Blackjack then pinned Travis, for the win.)

(Continued)

Jimmy Snuka W. Bob Backlund -DQ. (In this torrid battle, Snuka used his Martial Arts Type Karate Thrusts/Jabs, on Backlund. Bob downed Jimmy, with his sensational Pile-Driver, but this move had hardly any effect on the man from The Fiji Islands.Bob also used on Jimmy, a crushing suplex, but Snuka, was not really stunned, by this move. Snuka is one tough customer, when it comes to wrestling. As this bout progressed, Snuka used a foreign object, on Bob, to stun him. The referee was not aware of this infraction, of the rules. Backlund's Manager, Arnold Skaaland, who of course was seated in Bob's corner, then, stood on the outside ring apron, and tried to explain to the referee, what Snuka was up to. Snuka then attacked Bob's Manager, Skaaland, and worked him over, and tore his suit jacket off of his body. Backlund seeing this, went out of his mind, and went after The Fiji Native, and gave him a good going over. Backlund started choking Snuka, with Skaaland's jacket, and would not stop his onslaught, on Snuka, despite warnings, by the referee. The referee continued to try to stop Bob, from choking Jimmy, but when the referee tried again, Backlumd struck the referee, a couple of times. The referee, seeing this, called for the bell, to stop the match. The referee disqualified Backlund, for his wild actions, and gave the win to Snuka. When Snuka regained his composure, he grabbed Backlund's championship belt, and nailed Bob, with it. After Snuka's assault on Bob, with the championship belt, Snuka then mounted the top rope-corner turnbuckle. Seeing that Bob was out like a light, lying-center ring. Snuka then executed his fantastic Super Fly Dive, off the top rope-corner turnbuckle, into the air, very high,and on to Bob's lifeless torso. Snuka soon left the ring, but Bob could not leave the ring, on his own accord. Backlund was in very bad shape. Snuka was a very happy man,over what he did to Backlund, as well as what he did to Bob's Manager, Skaaland. This was an excellent bout, with a lot of great action, through and through.)

Tony Garea W. Charlie Fulton (By pin, with a One Leg/½ Jack-Knife Cradle, after a Flying Cross Body Block Press.)

Tony Atlas W. Jesse Ventura (Both grapplers traded Bear Hugs, with one another, in this titanic showdown. Atlas put Ventura into a Military Press/Lift-High over his head, and Body Slammed The Blond Muscle Man, to the mat. The end came when Ventura tried to complete a Body Slam on Atlas, but Tony turned this move into a reverse, by pinning Jesse, by rolling to the mat into a Semi-Cradle Clutch type hold. After the pin, Ventura beat up Atlas, and then left the ring. Tony, indeed, was still the winner, even though Ventura, got his last licks.)

Andre The Giant & Pedro Morales & Ivan Putski
W.
Mr. Fuji & Mr. Saito & Greg Valentine

(1st FALL- The Villains were disqualified, by the referee, because Fuji and Saito double-teamed Andre. Valentine was not exactly an angel, in this fall, because he caused his own brand of mayhem, as well. Andre and his Partners, indeed, were victorious, in this stanza.)

(2nd FALL- Andre pinned Saito, after a giant kick with his foot, to Saito's upper body, followed then by a tremendous Sit-Down Splash, on Saito's upper body. Andre and Crew, of course, were the proud victors, in this tough struggle.)

UPCOMING TO M.S.G: 6/5/82:
Jay & Jules Strongbow VS. Jesse Ventura & Adrian Adonis
Bob Backlund VS. Jimmy Snuka
Andre The Giant VS. Blackjack Mulligan

The cards in question are the ones from Matthews, North Carolina; plus Salt Lake City, Utah, which were taped in Minneapolis, Minnesota. We hardly print T.V. Tapings, anymore, we thought that these above mentioned cards, were main house cards, at first. But we recently, learned differently, about these cards.
